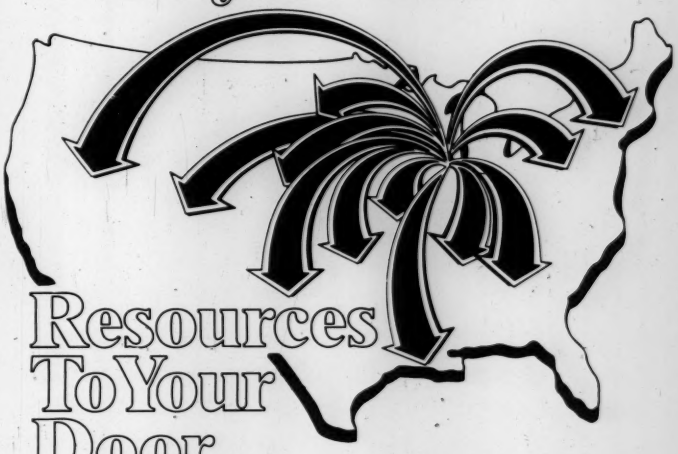
Let Your Local Safety Councils Bring National Safety Council Resources To Your Door



Throughout the U.S. and Canada, community leaders are working through local safety councils to reduce accidents and illnesses. The range of services is as diverse as the areas they represent.

If you have a question or need help with a safety and health issue, the expertise of the National Safety Council is as close as your local council.

Call on your local safety council for:

- **Defensive Driving Courses— over 1.5 million drivers trained last year!**
- **Driver Training Programs—truck, taxi, school bus, refuse truck, forklift, motorcycle safety training.**
- **Occupational and Supervisory Training—seminars on Right-To-Know laws, Supervisor Development, Fundamentals of Occupational Safety.**
- **Safety and Health Materials, Audio-Visuals and Incentive Items.**
- **Community Programs**
- **Consulting**
